4 Phases of eSNS for HIV Services

Phase 1

Recruiter Enlistment

Identify potential recruiters

Invite potential recruiters to participate

Phase 2

Training

Train recruiters

Identify key peers, friends, or partners

Develop a plan to talk with them about HIV services Phase 3

Recruitment & Referrals

2-4 weeks

Recruiters invite peers, friends, or partners to HIV testing, care, or prevention

> Recruiters are compensated for each person who engages with eSNS Team

Phase 4

Link to HIV Services

eSNS Team
provides HIV
testing and links
anyone referred
by recruiters to
appropriate
services

PrEP

HIV Care

Interested peers, friends, or partners may enlist as eSNS recruiters
